Procreate Documentation Plan

This is my plan for software documentation work on the product Procreate.

I am going to write an end-user guide on using this software.

The due date for this guide is TBD.

Title	Information Type	Description	Responsible Person	Status
What is Procreate?	*Concept*	Will provide conceptual information, answering the question "What is this product?"	Ekaterina	not started
How to create a gradient?	*Task*	Will document the steps to creating a gradient.	Ekaterina	not started
How to add layer masks?	*Task*	Will provide the specific instructions to adding layer masks.	Ekaterina	not started
How to change the layer blend mode?	*Task*	Will document the steps to changing the blend mode.	Ekaterina	not started
How to use the liquify tool?	*Task*	Will provide information on how to use the Liquify tool.	Ekaterina	not started
How to create a basic animation?	*Task*	Will present the steps to creating a simple animation sequence.	Ekaterina	not started
List of supported file types for import and export	*Reference*	Will provde additional information, which will be useful to the end user.	Ekaterina	not started
